“ I am so saddened to hear of Bud's passing, in our earthly form we grieve, however in our heavenly form we must rejoice for he is joining the family reunion on the other side. I loved Bud very much, he was fun to be around. Helen and El, I can't imagine your sorrow, but my heart and prayers are with you. I pray that God will lift you up and in some way give you peace. To Donna and Lorie, I will pray for you as well, because a brother is a very special thing and that loss must be tremendous. Love ya'll.
