“ *Ms. Annie thank you for 15 wonderful years that you contributed to Oral Roberts University. The students and staff will never forget you. You were wonderful and the students absolutely loved you. See on the other side!*

“ *I met Anne online thirteen years ago and was lucky enough to meet her in person too. She was a very special lady. She always spoke of her love for the Lord and for her children and grandchildren. I will miss her. Lee and Gerald - you will have her wonderful scrapbooks to see all the wonderful memories she has of you.*

“ I think this passage from 1st corinthians describes my nanas loving heart perfectly.

-The Way of Love

13 If I speak with human eloquence and angelic ecstasy but don?t love, I?m nothing but the creaking of a rusty gate.

2 If I speak God?s Word with power, revealing all his mysteries and making everything plain as day, and if I have faith that says to a mountain, ?Jump,? and it jumps, but I don?t love, I?m nothing.

3-7 If I give everything I own to the poor and even go to the stake to be burned as a martyr, but I don?t love, I?ve gotten nowhere. So, no matter what I say, what I believe, and what I do, I?m bankrupt without love.

Love never gives up.

Love cares more for others than for self.

Love doesn?t want what it doesn?t have.

Love doesn?t strut,

Doesn?t have a swelled head,

Doesn?t force itself on others,

Isn?t always ?me first,?

Doesn?t fly off the handle,

Doesn?t keep score of the sins of others,

Doesn?t revel when others grovel,

Takes pleasure in the flowering of truth,

Puts up with anything,

Trusts God always,

Always looks for the best,

Never looks back,

But keeps going to the end.-

And she did love me. all the way to the end. I love you Nana. I cant wait to hear all of your heaven stories when I see you again.

“ Nana was a happy woman. She wouldn't want us to be sad. She's partying with Jesus. I know she's missing her sons and grandchildren but she'll always be in our heart and she will be missed.

“ Ann I rejoice that you are in heaven talking with Jesus and in no pain but will miss you dearly. You are such a sweet lady and I wish we could have spent more time together. You have always been a part of our family and I am so glad we always included you in our family holidays. I'm so glad we got to share Jalen and Jace as grandmas and I will spoil them and love them as long as I'm alive and will always remind them that their Nana is watching over them.

“ *Worked with Ann for years at Oral Roberts University. Wonderful lady to know and converse with, and nothing ever got by her. The girls of her dorm found out every year that, though she was sweet, it was also impossible to snow Ann.*

Godspeed, and we will miss you.
