“ *I only had the opportunity to meet Ms Berniece on a couple of occasions over the past 10 years through her daughter Tina. We both are Marines. Tina has always respected and spoken highly of her mother. Ms Berniece's strength of a Woman certainly shows through to her daughter.  
To the family and friends...God has favor on all of his children. Ms B is certainly in a peaceful place where there is no more pain or worry. She is with my mom as they continue to look over us and protect us. As my mom always prayed over me.."Lord, keep the Angels all around us!" Bless you all!*

“ Tina, I know and understand the pain that you and family is experiencing. Know that you're not alone, you have a friend to bear the load with. And I would like to leave you and your family with something that helped me to deal with the lost of a parent, "Let your heart be troubled not, for the Gift of God is eternal life".

“ It is in our hardest times that the lord carries us. This is one of those times that you have to trust in him, because no one can carry the load on their own.
