

Billy Jones

July 25, 1946 - January 13, 2008

On Sunday, January 13, 2008 at 7:54 p.m. Billy left this world peacefully from his home in Glenpool and took his first breath in the presence of his Heavenly Father. He was born on July 25, 1946, living his early years in the Okmulgee/Morris, OK area, his adult years in Tulsa and his final two years as a resident of Glenpool, OK. Billy was a graduate of Morris High School, Haskell Junior College, and he served honorably in the U.S. Army with the HHC 4th Psyop Group during the Vietnam War. With his death Billy became another casualty of that war as a result of disease and illness associated with the herbicide exposure of Agent Orange. A celebration of Billy's life will begin at the Schaudt's Funeral Service in Glenpool, OK with visitation and viewing starting at noon Wednesday, January 16th, followed by the wake service at 7 p.m. that evening. Funeral services will be held Thursday, January 17th at 2:00 p.m. at Big Cussetah Methodist Church in Okmulgee, OK, followed by graveside services with military honors at the Okmulgee Cemetery. Billy is survived by his wife Diane of Glenpool, daughter Shannon of Sapulpa, son Shane of Glenpool, grand-daughter Tyler Harp and grandsons Tenetke, Micah, and Micco Jones, as well as numerous other family members, relatives, and beloved friends. We are so blessed to have had Billy in our lives; he was an incredible husband, father, grandfather, and friend who touched many lives. It is only in knowing divine grace that we experience divine love. Your family knows that we will some day all rejoice in Heaven with you and what a wonderful day that will be. Until then, we will

keep our hands in God's hand and he will make it all-right. We love you deeply and will miss you forever. Arrangements were entrusted to Daniel C. Schaudt of Schaudt's Glenpool Funeral Service & Cremation Care. Family and friends may express their condolences and share memories in the online guest book at www.schaudtfuneralservice.com. “Daddy, you might have known that I would be one of the last to write. It’s just been extremely hard for me to accept the fact that you really aren’t coming home to us; that I will never see you or hear your voice again (at least not during my time here on earth).

I want you to know Daddy, what a great job you did with me and Shane being our Dad. I know neither of us ever really told you that often, but some how I think you always knew. I’m just so thankful that God let me be your daughter. All those great times we got to spend with you are now beautiful memories that I will cherish forever.

You know often times people would ask me “What’s your dad’s name?”, and I was so proud to say “Billy Jones”. It never failed, if it turned out that the person actually knew you they would always say “That’s a good man?” “I know”..and, they were right. I’m not going to say goodbye Dad, because I know me, Shane, Mom and all of your grand kids will be with you again. Until then, know that you will never be forgotten and even though we may be apart, your spirit lives within me..forever in my heart. I love you Daddy.

“ Grandpa,

This is your grand-daughter Tyler. Grandpa, I miss seeing the way you dance, whistle, slapped your belly and those funny faces you made when you danced. I just miss everything about you being here. You brought me so much joy all the time. When you would sit outside on the front porch and wait for me, mom and grandma to get back from shopping, I miss us driving up now and not seeing you there sitting in the porch chair with your legs crossed, swinging your feet around and smiling at us as we drive up. But what I miss the most is how much I love kissing you, hugging you, scratching your back for you and telling you how much I love you. That made me happy and full of joy telling you I love you Grandpa - you know that I will never ever in my whole life forget you not even in my heart because you are right there watching me over Grandpa. I know you are in Heaven looking down saying â??I love you Tyler and I am alright just watching you grow upâ??. Iâ??ll miss and love you forever Grandpa.

*I LOVE YOU GRANDPA AND Iâ??LL SEE YOU IN HEAVEN
SOMEDAY.*

“ Billyâ?¦..itâ??s been one week ago today almost to the minute that God sent his angels for you. The hurt is so painful because I miss you and the love we shared. You know, itâ??s been a struggle for me to just get up each morning knowing that it will be another day without seeing you or hearing your voice. You were always my rock, my strength, my inspiration, my true soul-mate in life. Iâ??m so very grateful to God for each day you and I had together and feel especially blessed because I was loved by you. You left me with our two beautiful children, four grandchildren and beautiful, beautiful memories that I will forever cherish. Itâ??s like the words of the song that was played for you,

â??And I know youâ??re shining down on me (us) from Heaven and I know eventually weâ??ll be together One Sweet Dayâ?

Iâ??ll love you foreverâ?¦!â?¦!â?¦!â?¦!.
