“ At this holiday season, I reflect on the loss of a best friend who died too young and a Mom who died after a long life. I miss Cathy so much and think of her a lot. I will always remember Cathy, Dave and Dana with my Mom and me at the Pancake House in Tahoe. The world was a better place when they were around and the world is a sadder place without them. Bless them both. Let's think of them this Christmas season.

“ Cathy will forever be defined by her smile and her loves. She loved her husband and her daughter. She loved to laugh. She loved to redecorate. She loved "What's Up Doc", the movie starring Ryan O'Neal and Barbra Streisand. Because it was romantic and hilarious. She loved "Gilmore Girls" because it was about a special Mother-Daughter relationship. She loved tennis and musicals and shopping and cuddling on the sofa next to Dave. She loved her sisters, her brother, her Mom and Dad and her nieces and nephews. And she was loved by all who knew her.  
I was blessed to have her as a friend and will always cherish the time I spent with her. Her own memory may have faded but our fond memories of her are everlasting. God Bless You Cathy.
