“ I worked with Mac at Hillcrest all the years she was there. She was my coworker, then became my boss. She has always had a special place in my heart. I know she loved her family and her horses. May God grant you loving peace as you think of all the good memories of Mac

“ Claudia Mckenzie or "Mac" as I knew her was an important part of my nursing career at Hillcrest. As a long time employee, I knew her all of her years there. She was smart and compassionate. I think she made an extremely positive contribution to the nursing staff and nursing culture at HMC. I know Laureen from the stories her mother told. I remember her with much respect and regard. Sincere Sympathy.
