“ *My deepest sympathies for those that love Clyde. The love and caring that Clyde gave to those he knew was a unique trait that I adored about him. When he loved someone, he loved that person whole heartedly. Although I had not talked with Clyde or Dee Ann over the last year, I always knew that when I did see them, he would hug me up close, kiss my forehead, and tell me that he loved me. He and Dee Ann shared a love that was rare and special. He will be loved always.*
