“Daddy you were the greatest man I've ever known. Life without you will never be complete. You had the most amazing sense of humor, smile and laugh. You showed me what unconditional love meant! You always had my back and held me up when I was crumbling to pieces. How will I go on without your advice and your listening ears? You could put a smile on the face of the saddest person with just one of your stories. Thank you for being my father, my daddy, my pops! I will love you for eternity and always be your baby!
