“ I grew up in Denver City and new Stuffy & Mola. I remember Darrell just a little, but I wanted to send more sympathie to the family. As long as I live I will never forget Stuff Moorhead coming to church and not wearing a suit because he had to wear one all week. Stuffy was ahead of the times and I like him because I did not care for suits either. Back in those days we all had to wear white shirts and ties to church on Sunday morning.

“ I was raised in Denver City and graduated with Cydney. We were all friends and knew everybody. As has already been mentioned, Scott was a famous mustang of 1960. In those days, if you didn't play football, you were a nobody. Scott was a somebody and well thought of. As was his whole family. My deepest condolences and I pray that God will wrap his arms around you and comfort you during this time of loss. Sincerely, Jim McConnell

“ Scott was one of the first people I meet when I started my career at CITGO. He always greeted me with a "how are you?" or a smile and a nod of his head. Just like most of the long time CITGO employees, he was one of the good guys!

“ Our Families were across the alley neighbors in Denver City. I was the same age as his Sister Debra. I remember Scott being on the 1960 Football team that won the State Championship in Texas. What a thrill to live across the alley and Scott use to include alot of us younger kids in football games in the park in front of the Moorhead's house.

I am very sorry for your lose. He was one of my boyhood heroes!

God Bless you all in this time of sorrow.

Sincerely,

Jimmy D. McKee
