“ To Virginia: You can never love someone more than the person that brought you into the world. You brought her into this world and because of this overwhelming love you will miss her forever. I too lost my daughter, two years ago.

To Brandi and Mika. I know she loved you both. I remember the first time I met her. She was working at Reasor's. David introduced us and I had not met Brandi yet. I had seen her picture and told her I thought she was beautiful. She told me she was even more beautiful on the inside. I saw her mother's love just overflow at that moment. She was beautiful also.

Just know that I am praying for all of you.

“ *Such a tragic way to hear about a friend. Diana, Beverly and I were childhood freinds. Growing up in the *caldasac*, those were some of my fondest memories. My thoughts and prayers go out to Mike and her daughters. A life ended way to soon.*
