“ There is nothing far greater in tears than the loss of a child. Just
know that that her days in this world were filled with His graces and
agape love. May your prayers hold the fragrance of His healing and
the Hem of his garment brush across your heart. I am with you in
prayer.

Come to his table.
Come to his feast.
Eternal banquet,
Yield us to Him, O'Lord,

“ Beth was on of my best friends in High School, we went through so
much together, and I can't believe she is gone. I will always
remember her as the girl down the street who used to come and sit
with me on the back porch and just talk. She will greatly be missed
and always be remembered with great admiration and love. If there
is anything our family can do for your, you know how to get a hold of
my mom (Karla) and she can always get in touch with me. I just
regret that I canâ??t be there today for you, but I will be thinking of
you. Kayla

“ I have known Beth ever since she was born. As a matter of fact, my mother babysat her sister the night Sharon was having her. We were neighbors in the early 80's in Okmulgee. I seem to recall an incident where Beth wandered out into the street. I was playing on the sidewalk and heard her mother screaming at her. I ran out, snatched her up, and returned her to her front porch. She was just barely able to walk; I was maybe 6. Sharon doesn't remember it, so maybe I dreamed it. Anyway, my thoughts and prayers are with the whole family. I love you all.

“ I'm sad that one of my best friends died at a young age. I would attend the funeral services but I have a 3 month old daughter. Beth was a shining light for me while I attended Beggs High School in 1999. Beth accepted me in to her friends group when no one else would. For that I can never pay her back for all the love she showed me while I lived there. I knew about her daughter and first time I seen a picture of her while she was still a baby, I could see her mother. I will visit her grave this summer when I come to see my mom and sister. My sister Victoria Pelhem (Bennett) will attend in my place. I wish the best for the family in the times to come and would like to give money to help with Beth's 3 year old little angel. I MISS YOU BETH!!!!

Your Friend forever and more.

“ Dear ones, Beth meant more to me than I can ever express with words. I loved her as though she were my own child. She blessed my life by sharing so much with me and gave me one of my greatest and most precious gifts in this life....my beautiful daughter Laura. I am so thankful God brought us together and I am so thankful Laura shares her name. God bless you all. You are in my heart and prayers. Love, Tammy

“ I will never forget the day Beth was born. Tim was beside himself and didn't know what to do. I Told him, I would take care of Gene so he could take Sharon to the hospital quick. He got her there just in time.

I will also never forget taking Beth, and Gene to Church with me, Celesta, and Aaron. I am so happy to know, that she was still going to church, when God called her home.

The Birk family, and the Hebert family, spent many happy times together. We went to see "The Fox And the Hound", and Sharon cried. We had Birthday parties, and went to the park together. Those were the good old days, that I will never forget.

I will never forget you Beth. Go With God. Love Marcia Birk
