“ *Ethan,
Hello to you. I hope you're doing well, and I know that tomorrow I will be seeing you. I honestly can't wait. Even though I might have acted like you were annoying in 2nd period, I truly will miss your bugging about my science homework. I hope you can come enjoy another science class, with your comments. I'm sure you can manage to make another science class worthwhile, and manage not to be slapped on the head by Mrs. Arthur. She'll sure miss you as a target. I'll still talk to you on myspace, we can be awesome myspace buddies. I'm sorry for your loss, but life can go on and I know you will turn out to be a (MORE) amazing person as you grow.
With Love,*
