“ My Uncle Richard was my buddy. No matter how much time had past or how many miles were between us, we always picked up where we left off. He accepted and loved you the way you were and had an incredible sense of humor. What I enjoyed most is that he was real. He was himself around us and genuinely cared for everyone. He will always be in our hearts and I know we will be together in heaven some day. Until then, we will cherish our memories and seek your wisdom in prayer. I LOVE YOU UNCLE RICKY!

“ My brother and I loved each other until his premature death. I remember most his loyalty. He was a great driver and drove a semi-truck on long hauls. We always enjoyed his visits whenever he came through Arizona. He was a sympathetic listener, had a good sense of humor and could really dance. We were proud of all his efforts. He was a light o the people who knew him best. (Romans 8:35)

“ I loved my my uncle Ricky, though we didn't see each other often due to the distance between us. My uncle was a good, Christian-born, hard-working man, a man to be respected. My parents (whose names are actually spelled Martha (not Jeanie) and Erik Hansen), would love to have had the chance to see him a little more. We all love, and will miss him.
