“ *Come To ME*
God saw you were getting tired
and a cure was not to be
so he put his arms around you
and whispered come to me
with tearful eyes we watched you
and saw you pass away
although we loved you dearly
we could not make you stay
a golden heart stopped beating
hard working hands at rest
God broke our hearts to prove to us
he only takes the best
so today Jesus if you are listening
in you home up above would you please go and find my dad and
give him all my love

“ *Look down upon us from above*
one day we'll meet again my love
Gods mercy has set you free
and to know you are free from
all the hurts and pain is a
blessing to me
you have a new body
and sing a new song
praising the savior all the
day long
forever yours

“ *God looked around his garden And He found an empty place. And then He looked down upon the earth, And saw your tired face. He put His arms around you, And lifted you to rest. God's garden must be beautiful, He always takes the best. He knew that you were suffering, He knew you were in pain, He knew that you would never Get well on earth again. He saw the road was getting rough, And the hills were hard to climb, So He closed your weary eyelids, And whispered "Peace be thine." It broke our hearts to lose you. But you didn't go alone, For part of us went with you, The day God called you home.*

Rest in Peace Fred

“ We little knew that morning
That God would call your name.
In life we loved you dearly;
In death we do the same.
It broke our hearts to lose you,
But you did not go alone,
For part of us went with you
The day God called you home.
You left us beautiful memories,
Your love is still our guide,
And though we cannot see you,
You are always by our side.
Our family chain is broken
And nothing seems the same,
But as God calls us one by one,
The chain will link again.

“ The years we've shared have been full of joy. The memories we've made will go on and on. We haven't stopped thinking about you since you went away, and We've asked God time and time why couldn't you stay. You've lit up our life, our hopes, and our dreams. You've opened our eyes to see what it all means. So now that you've gone how can we forget, Because you were the greatest out of all we've met.
