“ Hello Pauline And all of the Family of Jim's: For those of you who I haven't had the change to meet, I'm Ben and Peggy's Son, who got to know and see the heart of a very special man name Jim when I had come to visited them. I did'nt know Jim well, but I feel that didn't stop him from making me feel welcome in his present, his home, and all ways made me laugh from his need to tease. I wish you all well, and like you I will also miss him. Take care--Micheal Hogan
