“ I had the pleasure of knowing Janice in Jr High and High School. Janice was my first girlfriend in Jr High and I chased that beautiful girl around like a sick puppy. I had a chance to dance with her at and will never forget how stunning she was!! She took my breath away, I'm so sad that I did not have a chance to get to know you more. I spoke with her one time after connecting on Facebook and I'm glad I got to hear your voice again. I hope your candle never burns out because your memories have lived with me since the day we met. May GOD be with your family and friends she was one of a kind!

“ To the family members of Janice Barton,

I attended JR High school and High School with Janice, we were fast friends and I was fortunate enough to maintain a friendship for all of these years. I am extremely devastated by her passing. We will never forget her, she was a beautiful soul.

“ So sorry to hear about what's happened. I just learned of this recently and am still puzzled. Janice and I were high school (graduated together in 91') and early college buddies. We had a lot of good times and a lot of great memories. We last spoke on the phone in July soon after she learned of my diagnosis (I am now in remission). She was a sweetheart and a truly caring person. Even though we are miles apart she still reached out to me. Long Live Janice!!! We love you!

“ Janice I'll miss you! I thought yesterday would be more of a closer for me but, I still feel like you're here with us. I keep thinking you're just on vaction at your parents and you'll be home soon. I'll remember you as a fun, full of life and loving person. I don't want to remember you like I saw you yesterday. I'll remember you as I knew you. The last really good memory I have of you is going to be the way I remember you...It was my birthday and fathers day and I had everyone out to my house...I remember you had so much fun with Douglas, Matthew and Morgan you guys picked wildflowers ,feed the ducks and road in the golfcart around the field. I can remember the look on your face you were happy and having so much fun. Thats how I'm going to remember you! Love you!

“ *Janice will be greatly missed. I was so excited the first time she sent me message on myspace then on facebook. I hadn't seen her since elementary school. She was just as beautiful as I remembered her being. I wish we had more time to get re acquainted but I am thankful for the night Janice, LeaAnn and I got together to reminisce and catch up. We even recreated the bathtub picture we took when we were little. Love you girl*
