“ Dear family and friends, I wanted to express my condolences for your loss. I've known Jeff since he started working for American Airlines. Jeff had a great sense of humor and was always willing to apply himself to any position the company needed filled. His friends in Tulsa and coworkers will truly feel the loss. I hope you were able to find some comfort with the stories and the prayers I'm certain many said for you and Jeff. Jeff loved Seattle, we listened to many stories of Sea Fair and his vacations there year over year. I Hope you're able to find strength with one another and prayers to lighten your sorrow.
