“ I'm so glad I was able to share memories with Joe while he was in the hospital and at his home.

During the visit I brought him a "blast from the past". Fourteen years earlier, he had created and printed a Daisy (Girl Scouts)scrapbook. He had taken pictures of our girls together during GS functions. He cared about making memories for all of the Daisies and parents also. He used his work experience and talents well.

The scrapbook is a memory of Joe Lang. I was happy I got to thank him again fourteen years later.
