“ Seth & Jared, Mandy & Diana

There will never be enough words to say that will make you miss your dad any less. Just always know that your dad loved the Lord first and most of all, but you kids rocked his world, and he loved you soooo much. There is so much about Johnnie that I will miss that it would be impossible to write it all down. His laughter, his ability to always comfort me no matter what had been done to me. All the holy ghost prayer sessions in the living room I've had with him. So many things I can't even begin to list them all. Just be comforted to know we all will be reunited very very soon. I am always here for you, (maybe sometimes when you don't want me to be there...ha) Be strong in the Lord. That's what your Dad would want. Always keep God first in your life. That's what would make your dad proud of you. I love you all very much !!!!! Aunt, Cheryl

“ to Seth and Jared. i love you both and if you need anything at all just call me. I remember the first time i ever saw Johnnie. Kay and Don came to Houston to visit us. Kay was pregnate with Cheryl and Johnnie was just a baby. He had pneumonia and had to be put in the hospital. When they brought him home (Donnie was just a baby too and wanted a lot of attention..and got it one way or another). I had a little red rocking chair and as long as I was in it they let me hold Johnnie and feed him and rock him. We (me and all the kids)have had so many good times, and stuck together through all the bad times. But when Johnnie was around he was gonna make sure you had a good laugh, no matter how bad your day was going. He is missed by so many people. To know Johnnie was to love Johnnie.
