“ I want to send my condolences to the. Legarretas and Gabriela. I am happy that my last memory of Juan will be the happiness of his wedding. I was friends with Juan for nearly 13 years. I had attended high school and college with Juan. We worked together and he was even my workout partner for a while. He really pushed me to attend graduate school when I was on the fence. I wont forget you my friend and I hope you rest in peace.

“ Juan was such an amazing man, with such a servant and understanding heart. He LOVED Gabbie more than anything and his face would just light up every time I asked him about her. My heart is so broken for her, and her and her family are constantly in my prayers.

“ As a fellow student with Juan at OU, I can say he left a lasting impact that will stay with me for the rest of my life. I cherished each second I spent with Juan because of his huge heart and kind soul. I enjoyed having class with him and every lunch we shared together I learned more about someone who already impressed me. His loss effected many in his OU family and our lives will never be the same now that this amazing person is gone. My God bless and reward this wonderful person for a life well lived.

“ Juan - Even as a classmate at OU, I was honored to simply be in the same room as a true American Hero. Your service to our Country and local law enforcement amazed me. I can't believe that you've been taken from this earth so soon...and even though I didn't know you well, I'll forever carry you in my heart and always remember the difference you made in this world. My thoughts and prayers are with your family and friends. I hope they find peace in knowing the impact you made in so many lives. Sadly, my daughter went to her very first Military/Law Enforcement procession today...but I know she couldn't have cried for and honored any better of a man. Fly with St. Michael and Rest in Peace, Sir.
