“ To everyone that attended my brothers funeral, thanks for all the support that was showed to his wife and children. Also for those that showed support to his father and his siblings... Fred Walker-father, Phillip walker-brother, Mark Walker-brother, Doug Walker-brother, and Debbie Mefford-sister. We will miss our brother but we know he is in a better place now, and he is no longer suffering. I thank God that my brother had accepted him into his life everyday. He is at peace now and forever. Many thanks to Dan Schaudt and the Rev. Troy Hayes for doing such a super job at the service. And to my neice Melissa, for putting together such a nice video of Larry throughout his life. Great Job Melissa. I will miss my brother very much and so will my dad. Sincerely, Debbie Mefford

“ Dear Family,
Larry was such a kind hearted man, with an incredible determination to fight and keep going. By following his example, others can clearly see that no obstacle is too big, if you have a desire to do it. He will be greatly missed by all.

“ I worked side by side with Mr. Walker at the Tulsa Academic Center in 2008-2009. He was assigned to my classroom teaching high school science and I couldn't have asked for a better partner than him. He was the highlight of all of my years of teaching and we had a great time together every day. He had a terrific way with the students and was always making them laugh. I will miss him very much.
