“ Robin and Cindy,

Our prayers are with you both. It was such a joy knowing someone as special as your mother, and what a wonderful woman she was. I remember so many times when she would make us laugh. Just remember she may not be here physically, but you will always have your memories. Our condolences. Denise and Angie

“ Robin, I feel like I have walked the path with you while you were taking care of your mom, I am probably one of the only people that knows exactly how you feel since I am walking the same path, I will continue the journey with my mom and will be remembering yours along the way. I am sorry that i never met her but I feel like I did, she was a beautiful woman and you look just like her, my mom always says you are so beautiful when she sees me and i say of course I am your daughter. I am sorry that I will be out of town and cannot attend but i will be with you in spirit. Remember i am here when you need a shoulder to lean on. See you soon!!!
