“ I remember the first time I met Mary, she was a sweet little blonde headed "7 year" old girl. People that saw us together always thought she was my little sister.

I've watched her grow into a strong and determined woman with strength and courage to face whatever was handed her. A very family oriented person, if she loved you it was 100%, if not, she let you know, never letting her feelings be misunderstood.

I will miss you Mary, and you will always be my little sister!

“ Although Mary certainly leaves many sad hearts right now, the good memories will last forever for the rest us. What an awesome woman who touched all of us in a caring and loving way.

I will never forget that smile and laugh.
