“*Mike Jackson personified the love of Jesus. The joy within his heart and soul touched everyone he met. His faith through the last two years was a witness to all those who cared for him and his family and friends who loved him. He always had a smile and praised God for his family. We count it our blessing to be a part of his family. What a happy reunion with his dad, and my brother, Bob, along with grandparents, aunts, and his precious baby girl, Holly.*
