“ Mike was always so great to me and my mother. He came to my house many times for BBQ's and we always had a god talk. I met Mike through Sharon Shasco, in 1992. Mike and I had dinner and went to a few movies together over the years. Mike was a quiet one but I loved Mike and am very sad to hear of his passing. I always exchanged Christmas cards with him. I had not talked to him in over a year. I will keep your family in my prayers. Karen Cox

“ I worked with Mike, at Parkside. I guess God needed a few more
flowers for his garden in heaven and we know he only picks the
best. I will surely miss mike what an awesome friend and co-worker.

“ Mike we here at Parkside are feeling the loss but know that you are at home and at peace and busy with your new life.
Thanks so much for your dedication to staff and patients here at Parkside. I don't know of anyone in my life that ever showed the dedication to his job as much as you in the twelve years that we have worked together.
His love and caring showed each and every day as he worked and his patience was always shown.
Just wish you could have taken more time to enjoy life and do some traveling but it was obvious to us that worked with you that your life was about service and helping others.
God Bless you and your family that you loved so much.
Maybe you and Diane can hook up in heaven and do some work for the Kingdom even though there won't be any healing to do, you could always heal broken hearts here on earth as you have done most of your life here on earth.
