“ *Kathy was always a delight to be around. Her wit and sense of humor was great. I always enjoyed delivering pictures to her home because you always had a good visit and it was never a quick trip in and out. you had to stay and visit. She was a good neighbor to my parents and will always remember her being there to help with my small daughter the day my Father passed away. She came over to the house and took her home and we didn't have to worry about her, cause we knew Kathy would take good care of her. The years have come and gone, but it is always nice to remember the nice people of life that God allows paths to cross, and I am thankful that Kathy was one of those he allowed to cross with mine. She was a friend to many and will be missed by all.*

“ As Kathy Regional Leader I have always found Kathy to do whatever was necessary to help the region. The last several years she coordinated the Jones Night at the Drillers. She was always on me to get the date set as there was alot of work to the planning...she was always able to get it done with a smile. As always with over 600 folks in attendance they were successful events. After each event she would tell me this is the last one, come fall she would wire me with dates for the next...I will miss her.
