“ *Mom it's been almost 5 years now since you went to be with Jesus. I know you are having a great time there walking the streets of gold with no walker and no pain. I miss you and love you so much. I know you and Ann are having a wonderful time as she is telling you about Jace and Jalen and how smart they are. I tell those boys about you even though one of them you have never met. You would get the biggest kick out of Jace. Mom I will see you again one day, but until then I know you are looking over us and each day I see I am a lot like more like you.*
