“ I miss you so much Mom. There is not a day passes that I do not think about something funny OR sad about you.  
Now Ken's house in Sand Springs burned to the ground this summer by wildfires and he lost everything. We even lost you and Dad's Urns. We are here trying to help him build a well house and he lives in Motor Home on his property. I am just sick with heart break even tho I know you both are in heaven. It still hurts. I love you, Carol

“ *Reba was a very special grandmother. She was one of the most adventurous women I have known. She went mountain climbing with me many times and many long afternoon walks. She taught me about plants, flowers, cooking, Native American culture and stories from the Bible. I loved her very much and will miss her dearly!*

“ It will be the little things  
that you will remember,  
the quiet moments,  
the smiles, the laughter.  
And although it may seem  
hard right now, it will be the memories of these little things that help  
to push away the pain and bring the smiles  
back again. Praying comfort for the family, during your time of loss.

“ I was so saddened to hear of Nanie's passing, but I understand she was surrounded by her family and had found peace in her reunion with Popie. Nanie and Popie were such a wonderful part of my childhood and I often think of them when I see, hear, or do so many different things. Nanie had such a beautiful way of making EVERYTHING fun! I feel blessed to have shared so many of my formative years in such kind-hearted company.

*Please accept my deepest sympathies and know that your loss is shared by all those whose lives' she touched.*

Love,
