“ I just learned of Rob's passing. Though I had not seen Rob in many years, I always treasured our days together as boys in Ashland, Kansas. May he rest in peace and may the Pike family receive the precious comfort of Jesus.

*Blessings,*

“ I just became aware of Rob's passing. I would like to extend my deepest sympathy to his family. I had not seen or heard from Rob in many years, but am deeply saddened of his loss. He will be missed, but I am sure he is at peace, and in a better place now. I am sorry that I will not be able to attend his graveside service on Saturday.

“ Robbi was one of the most important people in my life and I will hold a very special place in my heart for him now and forever. He was deep, sensitive, spiritual, extremely intelligent, a bit onery, and a little stubborn, too. We had a lot of laughs, shared a lot of great and wonderful times together that I will always treasure. He will be missed and no one will ever fill the void that I feel with his loss. I hope to see him again one day and I know he's very, very happy and at peace now.

“ My condolences to the family of Rob. We lived by Rob for a few years in Kellyville and I worked a little with him at Circle B. Always enjoyed being around him and getting a phone call from him. He was a great story teller and always had one. There was only one Rob. I am sorry I will not be able to attend the service.
