“ Brother Bob was a very good man and honored the Lord, God Almighty thru his many years of devoted service. I am honored to have had the opportunity to have had him as my pastor for several years at Southside. His dedication to reaching out to others was very evident when he and Velda came to visit me in the hospital in 1999 although he didn't know me personally, it caused me to realize the difference between a minister and a man who stood on a stage preaching!
