“ *The best grandmother I could have ever wished for, and more.*

“ *My Grandma Beio was an amazing person and I loved her with all my heart. I was extremely upset when I heard the news, I didn't make it to the hospital and I wish I had. Like my fathers told me you can only get one shot and it'll never come back.*

*I wish I hadn't waisted that shot that moment and it's gone but I know that she know's I love her and if she's up there looking down on me she know's how sorry I am...and will always be. This story reminds me of my fathers story about his grandmother and I just wish I'd been there in her final moments like I was supposed to be.*

“ *Shirley was my mother, IS my mother. There will never be enough words to describe how I feel about this loss, only to compare it to the loss of my Grandmother, her mother, Wilma.*

*I learned with the loss of my Grandma McGrew that there is never getting over such a loss, only getting used to feeling the loss.*

*Rest peacefully and say "hello" to Grandma for me.*

“ Shirley was a wonderful person, I knew her as her son and I grew up together. My mom was also named Shirley, and that added a special glue to help bond my lifelong friendship with J. Everyone who knew her will miss her, and I hope she will be one of the family and friends waiting to greet me on the other side.
