“ *Son, we are gonna miss you worse than you will ever know. You were a wonderful son to your Dad and me. There were times we just don't know what we would have done without you in our lives. You brought us so much joy all your life. We love you very much and you will continually be with us in our hearts. May God take care of you for us. I guess you are helping God take care of his yard now. Dad and Mom.*
