“ *My darling Mother,
You left us on a saterday night, with all of us around you , holding to
your sweet tiny little hands. You often spoke of that day and how sad
we your children, grand, and great would be, mama you have no
idea of how broken many hearts are at this time. sad does not even
began to discribe the loss of you. Most days it hurts to breathe. you
would have been so pleased at the love and kindness from your
many friends, and at how many lives you touched in your precious
way.
kiss sissy and dad for me .
I miss you Mama

“ *Vicki, Janet and Steve,
Your mother was a very special woman who will be missed by
many. She always had a smile and sweet words for everyone. I can
remember when she would come into the Dollar General to buy
things for a special dinner or dessert she was making for one of her
children or grandchildren. She was always so happy to prepare a
favorite dish for them and to show her love. You were all blessed to
have such a caring and wonderful mother, and she was blessed to
have such devoted and unselfish children to care for her in her last
months. My respect, admiration and prayers are with you all. God
bless you. Lisa Rhodes*
