“ *I miss you my sweet Brother Billy. We will see one another again and will be together for eternity.*

Thank you for the memories - that's all we have now and they are precious. Your love and compassion for all will continue to shine thru Josh and Willie - two of the most wonderful nephews I could be blessed with.

Rest In Peace and know you are so loved.

The song sang at your service "It's My Job" had to be written for you - NO ONE loved their children more than you. Till we meet again a day will not go by that you will not be in my thought. Love you dearly, sweet Billy, you Sis CaCa
