“ *We send our most sincere condolences as your heart hurts through this time in your lives. The Henderson Family has been close to our hearts for many years and we were always told that the strength and character that Francesca reflected was like that of her father, Mr. William Hite. As other parts of your family may or may not know, our family is not long ago removed from loss. So we know that no comfort is quite enough to ease your loss. However, may we extend our prayers that the Lord mend your hearts in these times and that you rejoice in your memories of a loving man who brought joy to your lives in his time on earth. Our hearts and prayers are with you.*
