“ Dawn,
What wonderful memories you have of your beloved father.
You have shared so eloquently many stories of growing up in your loving family and how precious they all are to you.
You are who you are today because of the love and guidance your mother and father have given you.
Your father has ascended into Heaven to be with his Lord and Savior and is now with all whom have gone before him.
I send you love and pray for you and your family that God will wrap his loving arms around you and comfort you.
With deepest sympathy,
Patty Schmidt
